Your \$50 Keynoters Membership Fee is tax deductible. **Thanks for your support!**

Membership includes: 2 tickets at MHVS Instrumental Music concerts, priority seating, early access to discounted Spring Fling tickets, free IM directory.

An additional donation over \$300 allows Red & Black Club listing in IM concert programs.

Note: you must be a current Member to vote at Keynoter meetings.

Membership Fee: \$ 50.00	+ Donation: \$ _____	= Total: \$ _____
Please make check payable to: MV Keynoters		
Credit card payment may be made through the Keynoters Web Store.		
Use the link available at www.mvkeynoters.com , and send in this form so we can confirm your membership.		

Parents rarely get such a great chance to watch their own kids interact in high school, see why they chose those friends, and realize how they've become who they are now. Don't miss your opportunity.

Keynoters is nothing more than dedicated parents doing their best to support a quality high school music education for all MVHS students who want it. We depend on each other to participate and contribute however, whenever, and wherever we can.

The educational environment in which instrumental music exists has always been challenging. The current budget situation in California has pushed it near the breaking point. Little more than a room and five class periods are provided by the school. All other expenses, competitions, concerts, transportation, equipment, and much more must be covered by student fees and fundraising efforts.

Please don't let a few workers carry the burden alone. There's more fun in numbers, and we try hard to match every volunteer with their best possible opportunity to make an important difference.

We need YOU! We deeply appreciate everyone who pitches in to help.

The kids do notice – and care!

Please fill out this form completely and return it to Mr. Cloyd in the MVHS Band Room.

Be sure to pay online, or include your check with the form.

If you prefer, the form and payment may be mailed directly to the Keynoter Treasurer as shown below.
