

Instrumental Music Scholarship Application

The Monte Vista Keynoters uses limited resources to provide scholarships to help offset the cost of student participation in the MVHS Instrumental Music Program. Scholarships are awarded based on financial need alone. Funds used for scholarships come primarily from direct contributions by other MVHS IM families, and volunteer fundraising efforts. Parents applying for a scholarship are expected to limit the amount requested to the minimum needed, and to contribute substantial time and effort in Keynoters volunteer activities supporting the IM Program.

Scholarship applications must be submitted for review by the Keynoters Executive Board to determine eligibility. All information provided will be held in strict confidence by the executive officers, and never shared or used for any other purpose. Please apply as early as possible, and allow substantial time for review.

Amount of support requested: \$ _____

Please fill out the section below **completely**.
