Board & Committee Reports:

Treasurer Report – Lindy Fay:

*There was no official report tonight. BUT...Lindy did say that we continue to use reserves to pay for various items. We need to fundraise!

Spring Fling – Lindy Fay:

*Made approximately \$18,000

Fundraising – Lynda Seaver:

*Bowl-a-thon – We rent 6 lanes at Danville Bowl and students generate donations per pin. Students would bowl 2 games & pay ALL fees associated with bowling; we will need 2 parents to help volunteer per date we have bowling available; more details to come.

Board Needs – Lynda Seaver:

All board positions are open and the election will be held next month. We are seeking nominations from our membership. We need parents to help!!

Volunteer Needs – Nan Musso:

Nan has created a list of many positions not just board positions for this next year. We need more parents involved to keep these programs moving & improving esp. with our improving program! Please let Nan know if you are interested in filling a position. Some require very little work while others are more involved. Some positions can be done at home too. Position listing to be posted on website. Nan to submit copy for minutes also.

Other Business:

It was suggested that meeting minutes be posted on the website and even emailed to parents. For example, most parents are unaware that we are using reserves right now and this is important for them to know. Until that time, Sandy will summarize the meeting minutes so parents can read current highlights with official minutes to be posted after membership approval.

Meeting was adjourned at 8:10.
